Welcome to Camp Amikaro at Little Sioux Scout Ranch! Over the last six years Camp Amikaro has grown in many ways. We are incredibly proud of the progress we have made and continue to look forward to providing an unparalled experience for you and your scouts in 2020!

Expect an UNPARALLELED summer adventure this year! Our theme of Dinosaur Roar will be integrated into every aspect of camp from our meal service to the programs. Our 2020 Cub and Webelos curriculum uses the latest updated Cub requirements, helping to keep parents and leaders ahead of the curve. 2020 marks the first year for our brand new PEDDLE CARTS and new and improved STEM activities geared at helping Cub Scouts earn their STEM NOVA award. Of course, we will be offering all your favorite camping activities, such as archery, BB-guns, swimming, boating, and climbing. Cub Scouts and Webelos (and their adults) have a lot to look forward to!

In this guide, you will find the information needed to prepare for a great camping experience with your Scouts. You will find important details regarding your trip to Camp Amikaro including how to prepare for camp, what to bring to camp, and what to expect while you’re there.

You will also find a reminder to attend our March 14th Parent/Leader Orientation. At this event, camp staff members go into detail on programming and facilities at camp, and attendees have an opportunity to ask questions, share stories, tour the camp, and meet the key leadership for 2020. Lunch is also provided by our camp food service.

We hope you find the information included here helpful. Please visit www.GoCubCamping.org for more details and frequent updates. We look forward to seeing you at camp!

BSA National Standard of Two-Deep Leadership

Any adult must be at least 21 years of age and a registered leader or participating parent. National Scouting policy requires two-deep leadership (two registered adult leaders/parents). It is not required that each Scout have their parent/guardian attend for the Scout to attend except for Tiger Cubs, which do require the attendance of their Tiger Adult Partner. Our Resident Camp maintains the above ratios of leadership to ensure BSA’s National Standard is met. All adults must show proof of current Youth Protection training to attend. To get trained, visit www.My.Scouting.org. You can create a free account and click on “E-Learning” then “Youth Protection Training.” You can print the certificate of completion and bring it with you to camp. All registered adults should also input their BSA member ID into their profile, so any training courses taken online will automatically update their Scouting record.

In the instance that a Pack does not have a second or subsequent leader/parent, we will pair those Scouts and leaders with another Pack to allow them to attend. However, there must be at least one leader in camp at all times from each unit for every rank for which they have Scouts attending.

All units must have at least two adults to a maximum of eight Scouts, and one additional adult for each four boys (or part thereof) for both Cub Scouts and Webelos.
Other Pre-Camp Information

Den Chiefs
We invite your Den or Pack to bring along any Den Chief that would like to attend Resident Camp. A Den Chief is an older Boy Scout, Varsity Scout, or Venturer that is selected by their youth leader and unit leader at the request of the Cubmaster, and approved by the Cubmaster and Pack committee. They must be registered as a youth member of a Troop, Team, or Crew, and be at least 13 years old and First Class rank to attend camp as Den Chief. They will be able to participate in most programming, but should be expected to serve in a leadership role for their Den or Pack.

Special Needs
We work hard to make our camp comfortable and accessible to those with special needs.

If anyone in your unit has special dietary, health, or mobility needs, we ask that you please make your needs known as soon as possible to allow time for reasonable accommodations for your requests. Be specific and indicate a contact person in case the Camp Director has any questions in meeting the accommodation. **Deadline for special requests is two weeks before the start of your camp session** – please use the form found in this packet or download it from our website at http://www.mac-bsa.org/Post/sections/80/Files/MACCampsSpecialNeedsDietaryRequest.pdf.

**Peanut Allergy:** We recognize that the occasional Scout or Scouter may have a peanut allergy. We are not able to create a peanut-free environment in camp. However, peanut-free tables will be identified in the dining pavilion if needed.

Insurance
All adult leaders and campers must be registered members of the Boy Scouts of America. The Mid-America Council has purchased the National Boy Scouts of America Council Accident & Sickness Insurance Plan, which will cover all registered Mid-America Council Pack, Troop, and/or Crew members for both accidents and illnesses that manifest during participation in Scouting activities. All out-of-council units and other groups or individuals attending camp will not be covered by the Mid-America Council plan. Out-of-council Packs should bring proof of insurance from the council.

Health Forms
**All campers, including adults,** MUST bring a copy of their BSA Annual Health & Medical Record with parts A & B completed within the past 12 months. **School physical forms cannot be accepted.** Please use this form found online http://www.scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf and bring it to camp. **There are no waivers nor exceptions.**

Health & Safety
Our health lodge is maintained and staffed with qualified personnel for the health and safety of all campers at all times. The health officer must check all medications, prescription and non-prescription
drugs brought to camp, in accordance with BSA policy. All medications must be brought in the original container. All injuries occurring at camp must be reported to the health lodge and registered in the camp’s first aid log.

Swim Checks
Your Den or Pack may test for swim checks prior to arriving at camp. If you choose to do so, you must use the Unit Swim Classification Record form which can be found under attachments on the registration page. Please be advised when swim tests are conducted off-site prior to the camp session, the camp Aquatics Director retains the right to review or retest any or all participants.

Campers will be divided into three ability groups: non-swimmers, beginners, and swimmers.

➢ **Non-swimmers** have not passed a swimming test or choose not to test.

➢ **Beginners** must pass this test: Jump feet first into water over the head in depth, level off and swim 25 feet on the surface, stop, turn sharply, resume swimming, then return to the starting place.

➢ **Swimmers** pass this test: Jump feet first into water over the head in depth, swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy resting backstroke. The 100 yards must be completed in one swim without stops and must include at least one sharp turn. After completing the swim, rest by floating.

**NOTE IF YOU CHOOSE TO TEST AT CAMP:**
Webelos and scouts in a boating class will complete their swim test on Friday during check-in. Tigers, Wolves, and Bears will need to complete your test at the beginning of your aquatics class period on either Saturday or Sunday.

These classification tests must be renewed annually. Please use the Unit Swim Classification Record found at the end of the leader’s guide and bring completed with you to check-in at resident camp if you test outside of Camp.
Parents Orientation Meeting

This meeting is designed to inform Pack and Den leaders and parents what they should be doing to prepare their Cub Scouts for resident camp. Some of the information will include: camp tours, program highlights, camp fees, important dates, and what Scouts should do before they come to camp. There will also be time for leaders to ask questions. This meeting is intended to help those leaders, especially new leaders, who want their Scouts to get everything they can out of the Cub Resident Camp experience. Lunch is provided by our Camp Food Service, to give you a “taste” of camp cooking for 2020.

Directions to Little Sioux Scout Ranch

Physical address is: 32977 Larpenteur Memorial Road, Little Sioux, Iowa 51545.*

From Omaha: I-29 North to exit 95 toward Little Sioux. At the top of the exit, turn right onto Easton Trail/Vine Street. Drive 1.7 miles and turn left onto Main Street/CR-F20. There is a LSSR sign on the southwest corner. Drive 2.2 miles on CR-F20 until you come to the fork in the road. Take the left fork and drive 3.4 miles on Larpenteur Memorial Road until you reach the camp on the right side of the road.

From Sioux City: Take I-29 South to exit 105 toward Blencoe. Turn left onto Highway East 60. Drive 8.7 miles following Highway E-60. Turn right onto Larpenteur Memorial Road. Drive 1.6 miles south until you reach the camp gate on the left side of the road.

*Using some GPS services, such as MapQuest or Garmin GPS devices, may take you in the wrong direction. We recommend using the written directions above. Google Maps usually provides the correct location and fairly good directions, so long as the address is entered in correctly.
Arrival to Camp

Please plan to arrive between 12:00 p.m. and 5:00 p.m. on Friday. **Please do NOT arrive before 12:00 p.m.** Early arrivals are not able to be accommodated.

Upon arriving, please have one adult leader from each Den/Pack prepared to turn in all necessary forms, including health forms and swim classification. Camp Medical Staff will review these at check-in, according to BSA protocol, and may request a follow-up discussion with the camper or a responsible adult, to go through any health concerns and/or any medications they may have brought to camp. If your Scouts will need to complete a swim check upon arrival at camp, please show up wearing swim trunk. There will be an orientation meeting at 4:30 p.m. for all parents and leaders.

The leader who checks in the Den or Pack will be issued wristbands for the identification of all who are staying at camp. For security, the wristbands are required to be worn at all times to help verify individuals who are authorized to be on camp grounds. Individuals without wristbands will be asked to go to the camp office.

During check-in, Packs will be permitted to pull vehicles alongside the main road to unload gear. All vehicles should be returned to the long-term parking area immediately after unloading. Except for loading and unloading, only camp service vehicles are allowed beyond the parking area. Camp staff will be available to assist with this process.

Sleeping Arrangements

Once in your campsite, scouts and leaders will be assigned areas to set up their tents. **Each camper will need to bring their own tent and sleeping items to be comfortable (sleeping bag, blankets, pillows, pads, etc).**

Showers

Little Sioux features a private shower house available to all campers. We also provide showers in the Camp Store/Trading Post building as well as select other buildings around camp, with posted hours.

Valuables and Gear

Leaders should ask Scouts to bring as few valuables as possible to camp. Each unit is advised if possible to have a leader responsible for their Scout’s money to prevent lost/stolen money. Adult supervision is a MUST. Scouts are not permitted to walk through other units’ campsites. Scouts should be encouraged to respect their own gear as well as that of all others. LSSR and the Mid-America Council work hard and spend a great deal of money to provide tools, program supplies, etc. for the enjoyment of all our visitors. Please oversee the behavior of your Scouts to guard against theft or vandalism of camp property. If we take care of all we have, things at LSSR will only get better!
All Scouts and adults must bring a plastic or metal cup, canteen, refillable water bottle, or hydration pack which must be carried at all times in order to help prevent dehydration. A rain poncho and flashlight are also highly recommended. Scouts may also choose to bring a day pack or other bag in which to carry these items and other incidentals. These items may also be purchased at the trading post.

Scouts are permitted to bring snacks to camp. However, storing food in tents can attract animals, so campers do so at their own risk. If you bring snacks, you are advised to bring individually packaged, healthy items such as granola bars. Meals provided supply sufficient nutrition and energy for the session and the trading post will be open for additional snacks.

Refer to page 8 for a full list of personal items to bring to camp.

**Emergencies**

While camp is in session, the main camp office will always have someone on duty to help handle any emergency that may arise including those that may involve the camp health officer.

Outside of summer camp and during the business hours of 8:30 a.m. to 4:30 p.m. Monday through Friday, you may call the Camping Director at (816) 868-0815 or the Durham Scout Center at (402) 431-9272. If you are calling the Council office, state the nature of the emergency and provide a contact name, unit number and phone number, and we will contact the camp as soon as possible. Understand that you may normally reach a voicemail, but we will work diligently to respond as quickly as voicemails can be retrieved.

**The “S” rules**

- Stay with a buddy.
- Stay within camp boundaries.
- Sanitation – scrub with soap!
- Stay out of other people’s stuff. Permission must be given to enter another’s sleeping area.
- Sticks & stones stay on the ground.

Program Offerings

Cub Scout / Webelos Programming
Cub Scouts (1st through 3rd graders) and Webelos (4th and 5th graders) will participate side-by-side in Program areas. However, Webelos will be offered more challenging activities at each area to better fit their age/skill-level, and/or to meet Webelos-specific rank advancement requirements.

All Program Areas at Resident Camp will be structured according to the new Cub Scout Rank Advancement Program requirements. A specific outline of activities, as well as the requirements in the “new” program that will be covered, will be available by March 2020 in the Program Guide.

Activity Registration
All campers, regardless of age/rank, will be asked to CHOOSE from a list of programs offered at Resident Camp. Campers will select from a wide range of activities, including those listed below. By selecting your own series of classes/activities, Scouts and their parents will make the most out of a camping experience that is focused on the interests of the individual Scout. Camp Program Staff will then use the selected activities to build your daily schedule at Resident Camp. A personalized schedule for each Scout will then be sent to leaders before arrival at camp.

All program details will be available in March and reviewed at the March 14th parent orientation meeting at LSSR. Following that meeting, class registration will go live at www.GoCubCamping.org and will be on a first come, first served basis. Due to their popularity, some activities (like shooting or aquatics) have class limits that are enforced, per BSA policy.

Program Areas
Program areas may include:

- Shooting Sports
  - BB Gun Ranges
  - Archery Ranges
  - Pellet Range (Webelos Only)
- Aquatics/Waterfront
  - Swimming
  - Boating
  - Fishing
- Nature Study
- Climbing / Games
- STEM/NOVA Activities
- NEW! Peddle Carts
Departure from Camp

Evaluations
Each adult will be given an evaluation form either paper or digital. Please take the opportunity to fill out the evaluation form and return it before you leave camp. Your feedback is valuable to our camp. We appreciate your comments, concerns, and opinions. Adults who are only staying for a portion of the three days should fill out an evaluation before they depart. Evaluation forms will be available and can be turned in at the LSSR camp office to the Camp Director or his/her designee.

Campsite Clean-up and Check-out:
Time will be allotted for campers to pack up camp and load vehicles. We ask that leaders do not deprive youth of program time to get packed up early. Camp staff will be available and willing to help campers move their gear from the campsite to the parking lot. With all of us working together this process can be completed smoothly and quickly. Remember “Leave No Trace.” All Scouts in a campsite will check out together to ensure the site is ready for the following session of camp.
Camp Policies

Staff Responsibilities
Each campsite will have an assigned camp staff member that is familiar with the program, camp layout, and camp policies. He or she will be a registered member of the BSA, and will be your group's primary resource for a quality camp experience. This person is to be your support for your program, not to provide adult leadership and discipline. The same holds true for all staff members.

Camper Discipline
Discipline is the responsibility of the adult leadership attending with the Pack. The camp staff is available to help with, but not take over, any discipline problem. Under no circumstances is corporal punishment allowed. Take all serious discipline problems to the Camp Director. The Camp Director reserves the right to remove any person from camp who may present a threat to any camp staff or attendees, or to camp property.

Alcohol and Drugs:
There are absolutely no alcoholic beverages or unapproved drugs allowed in, or to be consumed at, camp. Anyone violating this policy will be asked to leave immediately and, if applicable, the appropriate law enforcement agency will be contacted. Prescription drugs need to be checked in by the camp’s health officer and noted on your health form.

Tobacco Usage
Tobacco usage is not allowed at camp. If it is legal for you to use tobacco and you must do so, you must secure permission from the Camp Director and follow strict directions on where and when it is appropriate.

Knives
Scouts must have a "Whittling Chip" or "Totin’ Chip" card to use a knife at camp. This card can be earned at camp, so the knife must not be used until it is earned. Blades may not be longer than four inches and must fold. Sheath knives are not permitted.

Personal Shooting Sports Equipment
All personal firearms, ammunition, and archery equipment must be left at home. LSSR will provide all necessary shooting sports equipment.

Pets and Wildlife:
No pets allowed. Camp abounds with wildlife. Do not attempt to touch or feed any wildlife. Report any wildlife that behaves in a strange manner to a staff member. This includes showing no fear of humans, biting, scratching, etc.
Liquid Fuels
All liquid fuels present a potential safety and fire hazard. They should never be inside a tent. Only adults can use liquid fuels in camp.

Flames in Tents
There will be no flames or heating elements of any kind in tents. All tents must have appropriate fire-dousing materials nearby; the camp will provide these.

Registered BSA Members
All campers must be registered members of the BSA before attending camp. All adult leaders attending camp must be registered with the Boy Scouts of America or the parent/guardian of the child they are attending with.

All registered adults and unregistered parents must have taken Youth Protection Training online, and bring a certificate of completion to camp to show at check-in.

Uniforms
All campers are encouraged to wear a Scouting related shirt for breakfast and lunch every day. This could include a resident camp or Pack t-shirt. The Cub Scout uniform shirt with appropriate neckerchief is the expected dress for evening flag ceremonies and dinner.

Electronic Devices
These devices are not needed in camp. If a radio is needed, it must have headphones. Hand-held video game devices are discouraged due to their significant program distraction.

Parking
All vehicles must be parked in the designated lot. Unapproved vehicles will not be allowed beyond the parking area. Please back your vehicles in when parking, if you are able. In case of an emergency, this will allow for easy evacuation.

Trading Post
The trading post will carry Cub Scout supplies, handicraft material, souvenirs, sundries, snacks, candy, and soft drinks.

Cleanliness
Campsites and facilities will be clean and ready upon your arrival at camp. Leaders are responsible for the cleanliness of their campsites, latrines, tents, and Cub Scouts in their unit during your stay at camp. Please help Cub Scouts remember to wash their hands before meals.
Lost & Found
Please mark all belongings with name, city, and pack number. Lost and found items can be found in the Trading Post and Pavilion during camp, and at the Welcome Center upon check-out. Items not claimed after the completion of summer camp will be given to a charitable organization.

Weather
The weather at LSSR is unpredictable throughout the summer months. Everything from warm summer days, thunderstorms, and cold nights are considered normal. Be prepared. Don’t forget coats, rain gear, and warm sleeping bags rated to at least 20 degrees, or bring an extra blanket. Check the forecast before leaving for camp online at www.weather.com. Camp will continue, rain or shine!
