Medications

Per the BSA Annual Health & Medical Record and under the direction of our camp physician, all medications brought to camp must be in labeled, original containers or in labeled, pharmacy-packaged containers. (i.e. Walgreens offers "bubble packing" or "school bottles" at most locations at no cost for prescriptions filled with them.)

BSA Annual Health & Medical Record

Please make sure all information is filled out and signed appropriately. Parts A, B, and C must be filled out on the **BSA Annual Health and Medical Record**, no form substitutions. We cannot accept school, sports, or work physicals. Form can be found online at <http://www.goscoutcamping.org>.

Please make sure your Scout has any waivers needed for ATV, Aviation, Cowboy Action Shoot, or Equestrian merit badge/activity classes. If your Scout intends on participating in a trail ride, they will need to have an Equestrian waiver signed to participate.
