

To whom it may concern,

Scouting has been a fun experience for me so far. My Leaders have taken great care of me and made sure to teach me everything I need to succeed as a Cub Scout. They have paid special attention to help me along this journey by teaching me the Scout Oath and to explain all of the promises it has in it. They have given me the Scout Law as a set of tools to help me keep my promise of Duty to God and country, Duty to others and Duty to myself.

I have followed the instructions and completed all of the required adventures. They were signed by the Den Leader and certified by the Cubmaster and our Committee Chair. Now, it is time for me to move to the next stage of Scouting. I have decided to continue in Scouting and join a Troop.

I want to thank everyone who cared for me and helped me along this path.

I, _____, have invited the Scoutmaster from Troop _____ to attend my crossover and receive me into Troop _____. I would like to thank them for allowing me to join their ranks. I look forward to learning, camping and growing as a Scout with them.

Signed,
