

Keep Omaha **Beautiful**

Looking for an Eagle Scout Project?

Help us prevent stormwater pollution - the number one cause of water pollution in Nebraska.

ONLY RAIN DOWN THE STORM DRAIN

Clean debris and install decals on storm drains throughout the city, while providing education to empower Omaha residents to prevent stormwater pollution right outside their door.

SCOUTS WILL...

- Coordinate with KOB staff to identify areas of need and build neighborhood maps
- Act as the volunteer coordinator to recruit volunteers and create a project schedule
- Provide support & supplies during the volunteer events
- Create educational activities and coordinate education events surrounding stormwater pollution prevention
- & more!
