

NEW BSA Youth Protection Training Memo

Beginning 1/1/2023

This message is being sent to unit Key 3 members. On December 12th a notification will be sent to all leaders of this new policy. The safety of our youth is paramount and we thank you for all that you do to ensure the Scouting program is enjoyable and safe for all members.

Mid-America Council Policy requires registered adult members to maintain current Youth Protection Training Certification. If your YPT certification expires, your BSA membership will be terminated at the end of the month in which it expires and will remain terminated until you update your YPT and reapply for membership.

If your membership is terminated due to lack of current YPT, there will be no refunds for annual membership dues paid.

If your membership is expired due to lack to current Youth Protection Training, you will then be required to complete a new Adult Application, Criminal Background Check and pay prorated dues for the remainder of the charter cycle, in addition to completing the mandatory Youth Protection Training.

Historically adult who's YPT has expired during the year have remained on the unit/district charter until the next recharter cycle and they were then dropped at that time.

Beginning 1/1/2023 on or about the 15th of each month, individuals who's YPT will be expiring during the next calendar month will receive an e-mail from the Mid-America Council with instructions on how to complete YPT. If at the end of the month of their expiration, the registered adult has failed to

complete the Youth Protection Training their membership will be expired at that time and they will need to cease all involvement in Scouting activities as a registered adult.
