## FINANCES AT A GLANCE

## NE EAGLE SCOUT SCHOLARSHIP

### NE EAGLE SCOUT SCHOLARSHIP

Through the generosity of The Walter Scott Family Foundation, the NE Eagle Scout Scholarship offers up to \$12,000 to support Nebraska Eagle Scouts in their pursuit of higher education. In 2024, 45 Eagle Scouts from across the state received this prestigious scholarship to advance their education at the University of Nebraska Omaha or Metropolitan Community College. Starting in 2025, recipients will have the opportunity to use the scholarship funds at any of 30 eligible colleges and universities across Nebraska.

The Walter Scott Family Foundation is dedicated to the transformative power of leadership and education. By recognizing and supporting exceptional young people who achieve the rank of Eagle Scout, the Foundation preserves Walter Scott's legacy of inspiring the next generation of leaders.

Walter Scott, Jr. often credited his character development and leadership skills to his experiences in Scouting and earning the rank of Eagle Scout. This scholarship embodies those values, fostering leadership, service, and integrity in its recipients.
